

Valentine Chocolate holder

Boofle™
xxx♥

Things you will need:

A4 Paper, printer, scissors, glue and Boofle heart chocolates (available at Clintons)

How to make:

First print your downloaded pdf onto a piece of A4 paper at 100%

Secondly, with the help of an adult cut around the boofle shape using the black guide.

Using the blue crease guide on the joined paws, fold the back of Boofle to join the front and glue together.

Finally, crease both arms and fold in, using a blob of glue secure the heart chocolate onto Boofle's body, then secure each paw with a blob of glue onto the heart chocolate to hold in place.
