Things you will need:

A4 Black card, A4 white paper, scissors, pencil, glue, hole punch, cotton, 2 googly eyes and an adults help.

How to make:

Items you will need.

First, fold the white paper in half and draw half of a bat along the crease.

Cut the bat shape out and unfold. This will be your bat template.

Draw around the bat shape onto the black card and cut out.

Attached the 2 googly eyes with glue.

Using the hole punch, punch a hole in the center of the tail at the bottom and attach the cotton. Your bat is ready to hang where ever you wish!
