Things you will need:

A4 Paper/Card, printer, scissors, bread, tinfoil

How to make:

- Print the Boofle cut-outs onto a piece of A4 paper or card, and carefully cut out both sections.
- Place the print outs over a piece of tinfoil and carefully cut around the paper Boofles until you have 2 foil pieces (A and B).
- Lay the tinfoil section labelled 'A' on top of your piece of bread and place under the grill.
- Once the bread has begun to turn brown, remove it and the foil from the grill.
- Then place the second piece of foil labelled 'B' in the same place on the bread and place back under the grill.
- Once the bread has nearly begun to burn, remove your bread from the grill and enjoy your Boofle toast!
